Speaker

Rory Bell is director of *Teaching and Training Ministries*. An electrical engineer by trade, he left that field to study Theology at George Whitefield College in Cape Town. Rory worked for six years as the assistant pastor in a large church in Johannesburg where he was responsible for fifty children's ministry volunteers.

He and his wife, Kim, were also responsible for establishing the children's ministry course at Johannesburg Bible College which they ran for two years before relocating to London to take over TnT Ministries. They have three children aged eight, six and four.

Conference Outline

Get REAL with Ministry

Explore a Biblical model of ministry that takes seriously the need to build relationships, teach the Bible, model the gospel and see young lives radically changed by the power of God's Word and His Spirit.

Get REAL Ministry Working

A group discussion around the principles from Session 1 and how they might apply at your church given the resources you have. This is a great session for both teams and individuals.

Get a REAL Lesson Together

Learn to unpack a Bible passage and get it ready for age-appropriate teaching. You will leave this session with a complete lesson including a warm-up activity, ideas for visual aids and a consolidation activity.

Get REAL with Discipline

Children generally have loads of energy and enthusiasm which is why it's such a joy to minister to them! But what happens when these bundles of energy get out of control? In this session we will explore principles to help you maintain control while still reflecting the character of a gracious God.
