The congregation would like to invite friends who have had association with Cumbernauld Free Church over the years to join them for an evening of celebration and thanksgiving to God for His help and blessing over these 40 years, and for the recent replacement of the church roof.

It is hoped to have photos from the past (any contributions welcome), greetings from across the globe, and insights into the challenges the congregation faces.

A meal will be provided and a donation of £10 per head towards the cost is suggested. As places are limited for the meal please contact the Minister to book a place:
