

Home and Away

Women for Mission
Project 2010/11

“When Jesus landed and saw a large crowd, he had compassion on them, because they were like sheep without a shepherd. So he began teaching them many things ...”

Mark 6 v 34

Jesus had compassion on them

A Heart for Home hopes to set up a fund which will be available to church groups or individuals wishing to show Jesus’ compassion to those around us in our communities and country.

Existing initiatives include:

- ***Children’s breakfast club***
- ***Work with asylum seekers***
- ***Work with homeless people***
- ***Lunch clubs***
- ***English language classes***

Perhaps you have ideas for something new!

We invite applications from those wishing funding for such projects of compassion.

Something for Romania has its focus on the provision of good quality Christian care for body and soul. To meet these goals the charity provides most of the funding for the training of Romanian professionals at home and in Scotland.

Spiritual and emotional training is an important part of professional development and is delivered from a Christian viewpoint.

Without this kind of help it is highly likely that many terminally ill people in Romania will not benefit from adequate pain relief and the professional care or support we have come to expect in our country.

“Thank you for your support, understanding and patience and all the comforting words. I wish you all the very best and the strength to help others in need.”

Gajzago

Our support will give a welcome boost to Lachie MacLeod and his team as they continue to provide care for the terminally ill and their families.

Thank you very much for being willing to support the **Home and Away Project** this year. We really appreciate your help - both practical and prayerful.
