“It was a great weekend, worth attending, and I think it's safe to say that fun and spiritual growth were had by all. Shame it all had to end so soon, but I look forward to seeing you there next year.”

“Seminars offered excellent Christian teaching by various speakers. Every seminar I attended not only gave teaching on how we should be living for God, but also proved very relevant, offering advice and practical guidance. There was a real feeling of unity amongst everyone, resulting in a lovely atmosphere, evident in the fun and light-hearted banter shared by all.”

LOCATION

# Free Church Youth Conference 2009

FRIDAY 20<sup>TH</sup> – MONDAY 23<sup>RD</sup> MARCH

Lendrick Muir SU Centre, near Kinross

Speaker: Rev Kenny Stewart, Downvale

I hope this leaflet will give you a taster as to what you can expect from the Youth Conference 2009. Each year it is great to see people come together to encourage each other in their faith and learn from the talks and discussions during the weekend.

Our main speaker this year is Rev Kenny Stewart from Downvale Free Church in Glasgow. He is going to teach us from the life of David – someone in the Bible we can all relate to and learn from. We hope to look at how David developed his relationship with God throughout his life, despite the ups and downs that it involved.

As we get nearer to the weekend we hope to add more information to the website which will hopefully give you an idea of the seminar choices and other activities on offer.

I hope that the 2009 Youth Conference will be a chance for you to continue growing in your faith or find it for the first time so that we can join David in saying, “May the words of my mouth and the meditation of my heart be pleasing in your sight, O LORD, my Rock and my Redeemer.” (Psalm 19v14)

### **This Year's House Parents**

“Finlay and Christine's officially work for the Ministry to International Students in Glasgow - but don't let that fool you. They are as youthful as the students they work with. Motorbiking all over Europe and hitting the slopes on their skis take up the free time of this all action couple. Glasgow University, where Finlay is a Chaplain, lists one of their interests as 'people'”

### **This Year's Speaker**

Our main speaker this year is Kenny Stewart, minister of Downvale Free Church. Kenny has pastored churches in Stornoway, Scalpay and even Toronto, Canada, and is known for his passionate and biblical speaking. Originally from North Uist, we are delighted that he is able to talk to us about the life of David.
